JavaScript, HTML, CSS, MongoDB, Express, React, Node.js, Bootstrap, Tailwind, MySQL, Git

PROJECTS

Cool-Beans │ GitHub: https://tinyurl.com/2svu4bcr │ Deployed: https://tinyurl.com/4fwzeffx

- Coffee Ecommerce website built using the MERN stack. Our site provides a seamless shopping experience for coffee lovers who want to buy high-quality beans from the comfort of their own home.
- I was responsible for Recaptcha API and mostly the React front-end. But also assisted with back-end adding features and helping with bugs.
- Stripe payment API, Recaptcha, Formspree, React, MongoDB, Express, Node.js, Bootstrap

Movie-Night │ GitHub: https://tinyurl.com/2k4kn8v2 │ Deployed: https://tinyurl.com/5cfmc8jp

- A place to view movie information and trailers
- I was responsible for Youtube API and Search History functionality.
- Youtube API, OMDB API, Tailwind

Doggy Daze │ GitHub: https://tinyurl.com/4rksvh6c │ Deployed: https://tinyurl.com/366pzzpa

- Doggy Daze was made so dog owners can find the best restaurants for themselves and their best friends, dogs! With this app like minded folk can search for restaurants in San Antonio and leave reviews and ratings for them based on how dog friendly they are.
- Responsible for Recaptcha API and Log-in/ Sign Up functionality; Assisted with bugs and Frontend.
- Recaptcha API, google maps API, express-handlebars, MySQL, Node.js, Express,.js

EXPERIENCE

Job Title: Teacher Assistant   2023 – present
Trilogy Education Services - remote
Collaborate with Leaders on curriculum content and instruction, bringing my unique skills and perspectives to the team. Deliver engaging in-class exercises and participate in stimulating lecture discussions to create an immersive learning experience for students. Work with students providing them with personalized attention on their lessons/projects, helping master key concepts and best practices. Inspire and motivate students as they navigate the challenges of learning a new skill set, empowering them to achieve their goals.

Job Title: Chef   2013 – 2023
Alamo Café - San Antonio, TX │ **StoneWerks -** San Antonio, TX
Three's bar & grill - Kihei, HI │ **Monkeypod kitchen by merriman -** Kihei, HI
Cooked and prepared menu items according to standardized recipes and plating cards. Managed inventory, equipment, and kitchen supplies to maintain a clean and organized workspace. Reported food and equipment shortages to supervisors and communicated effectively with team members. Followed health and safety regulations, policies regarding scheduling and attendance, and met the demands of the service period.

Job Title: Carpenter   2018 – 2022
AKA Construction - Kihei, HI
I assisted supervisors with structural design, planning, layout, and installation, which required a keen eye for detail and a thorough understanding of project requirements. I was responsible for assessing the quality of woodwork and materials, which involved meticulous attention to detail and the ability to identify flaws or defects. I also operated tools, machines, and other equipment, which required a technical aptitude and a commitment to safety and precision.

EDUCATION

Highschool Diploma: Henry Perrine Baldwin High School, Wailuku, HI
Full Stack Web Development Boot Camp Certificate: University of Texas at San Antonio, San Antonio, TX
